KNOWN DEVICES (OWNER DETECTION)

Scan Network

iPhone users:

iOS randomizes your MAC by default. To use your real MAC:

1. Open Settings → Wi-Fi

2. Tap the ⓘ next to your home network

3. Turn off Private Wi-Fi Address

4. Reconnect, then tap ⓘ again — copy the Wi-Fi Address shown there

Android users:

Settings → Wi-Fi → (network) → Privacy → use device MAC.
